

## **Our Caring Process:**

1. Requests for assistance or expressions of need are received by email or phone.
2. Needs may include transportation, food, visitation, emergency care for family and/or children, emotional support and counseling.
3. The Caring Coordinator will coordinate the care process by communicating the need to the committee for response/assistance.
4. The Caring Coordinator will determine if pastoral care is appropriate.
5. Pastoral care is available on an as needed basis through a qualified professional who is a member of our Fellowship.

### **Our Caring Committee**

Members who have expressed interest to provide assistance as needed. In addition, select fellowship members have attended a *helping/caring session* and are willing to be available for non-professional conversations and visits with members of the Fellowship. All members are expected to adhere to ethical guidelines.
