

# Rain Barrel Fundraiser

It starts with each drop of water

You can reduce water pollution, lower your water costs, and help preserve our streams and lakes...all by capturing water from your roof's downspout in a rain barrel.

**What:** **55 gallon rain barrel** – comes assembled, complete with:

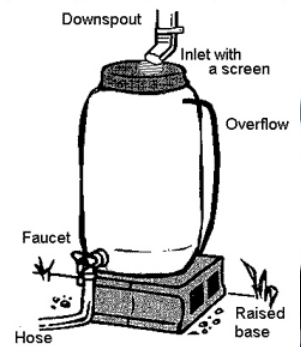

- *Upcycled* plastic barrels formerly used for non-toxic detergents or food product shipping
- spigot with  $\frac{3}{4}$ " hose thread
- overflow fitting near top
- screen enclosure for top
- primed and ready for custom painting
- instructions to aid in setup, using and maintaining barrels

Cost: \$50

*Un-assembled kits also available. See order form for details.*

To order, Contact:

Stacy Gilmore [stagilmore@yahoo.com](mailto:stagilmore@yahoo.com) or  
Linda Peacock-Landrum [landrumjl@sbcglobal.net](mailto:landrumjl@sbcglobal.net)

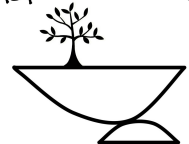

***Volunteers are also needed to make rain barrels on June 13 at 9am.***

**Orders are being taken now!**

*Payment at time of order is appreciated.*

Completed barrels will be ready for pick up on June 14 at the Fellowship!
